

Vestry Meeting November 23, 2018

Fr. Burgess, Betty Bennett, Ron Meyer, Dani Rice, Pam Young, Colleen Rhine, guest: Ken Hawley

The meeting was opened with a prayer by Fr. B at 6:15.

Ken spoke to us regarding girls joining the Boy Scouts ~ henceforth to be known simply as The Scouts. This change will be voluntary and on a troop by troop basis. Some troops prefer separate packs, and others may have joint packs, while other troops may decide the whole thing is a bad idea.

The Treasurer's report was accepted as read.

Fr. B gave a pastoral report on things with in the parish. Of special note, Carole Kehring cannot drive, and we need to arrange rides for her. If this can be spread over the entire parish it is obviously preferable than having one person do it all the time. Both Pat Rawlings and Kelso Miller live near her, and it might be good to suggest this ministry to them.

It was agreed to extend Fr. B's contract for another 6 months.

The Annual Meeting will be on January 20th. The bishop is coming in March. The by-laws need to be revisited!

There will only be one Christmas Service, and that will be at 7 PM.

It was noted that the lighting in the hall needs to be upgraded, and the outside of the building needs to be repainted. We need to set up a five-year plan to keep the building and grounds "up to snuff".

Colleen reported that the Beer Garden didn't do well this year. There was no signage or encouragement. The people manning the booth seemed to be content to sit around and talk instead of bringing people in.

The Civil War reenactors were pleased and are very interested in coming back next year.

The Festival clearing \$1400.

The meeting was closed with a prayer at 8:15
